— — BLEED AREA

— — SAFETY MARGIN

The diagram illustrates a page layout with three nested rectangular boundaries. The outermost boundary is a red dashed line. Inside it is a black dashed line, and the innermost boundary is a magenta dashed line. The word "FRONT" is centered in the white space between the black and magenta lines. At the bottom of the diagram, the text "SAFETY MARGIN" is positioned between the black and magenta lines, and "BLEED AREA" is positioned between the red and black lines.
